Dear {salutation}:

Thank you for the time you have given in allowing us to discuss with you the opportunity how our software may assist your organization in further progressing your productivity and output. As agreed, we are submitting to you information about us and our proposed plan to action for your review.

We at {yourCompany} are developers of {theKind} software and have been recognized as one of the top developers in the industry for {howLong}. We pride ourselves with our success and global recognition of **{theSoftware}**.

We understand that each client is unique and therefore we recognize a different approach on how we can deliver properly considering the expectations of each one. With the mix of our technical expertise and experience, we provide nothing else but excellence.

{anyOther8}

We also take pride on our outstanding, and no-nonsense client-care services being known as one of the top quality care support specialists globally. With this, we guarantee that any and all your concerns regarding our software will be addressed properly and in a timely manner.

With these to consider, we hope that you would take time to review this proposal and we hope to hear back from you soon.

Yours truly,
